

Specification Subscription Order Form

ABOUT THE SPECIFICATIONS

The specifications for CIP™ Networks are published as The CIP Networks Library, which currently consists of five volumes.

The DeviceNet™ Specification is comprised of two volumes from the library: *Volume One: Common Industrial Protocol (CIP) Specification* and *Volume Three: DeviceNet Adaptation of CIP*.

The EtherNet/IP™ Specification is comprised of two volumes from the library: *Volume One: Common Industrial Protocol (CIP) Specification* and *Volume Two: EtherNet/IP Adaptation of CIP*.

The CIP Safety™ Specification is comprised of one volume from the library: *Volume Five: CIP Safety Specifications* (includes DeviceNet Safety™ Adaptation of CIP Safety). To purchase the CIP Safety Specification subscription, a vendor must hold a DeviceNet Vendor ID.

Specifications are obtained through a subscription, which entitles the Buyer to updates to the specific Specifications for one (1) year. Specifications are distributed on CD, and one paper copy of either or both of the volumes that comprise the specific Specifications may be requested. Please note that the cost of shipping the paper copy will be the responsibility of the Buyer.

The Buyer may purchase an additional copy of the specific Specifications ordered in a different language format for a reduced price. However, if the Buyer wishes to obtain duplicate copies of the same language format (e.g., two DeviceNet English language versions), a second full subscription must be purchased.

The right to use the Specifications to design, manufacture, or sell products incorporating all or any part of the Specifications is subject to the terms and conditions of the relevant Terms of Usage Agreement. If you have not previously submitted a Terms of Usage Agreement form for the type of Specifications you wish to purchase (DeviceNet, EtherNet/IP, or CIP Safety), please attach to this order form a signed and completed copy of the Terms of Usage Agreement.

Please note that prior to the expiration of your subscription, you will automatically receive an invoice from ODVA in order to renew the subscription.

If you have any questions while completing the following order form, please contact ODVA via telephone on +1 734-975-8840 or via email on odva@odva.org.

Specification Subscription Order Form

This is an **intelligent PDF form**. Please click on the spaces below to complete the requested information directly onto the form. By clicking the relevant boxes, the total cost of your order will appear at the end of the form.
