

Protocol Conformance Test Software Tool Order Form

ABOUT THE SOFTWARE

The Protocol Conformance Test Software Tool is obtained through a subscription, which entitles the Buyer to updates to the specific software for one (1) year. The software is distributed via email. A list of ODVA members who sell hardware that supports this software can be found on the ODVA website, www.odva.org. **The right to use the software to design, manufacture, or sell products incorporating all or any part of the Specifications is subject to the terms and conditions of the relevant Terms of Usage Agreement.** The software is intended for use by companies/developers interested in self-testing their product prior to having the test performed by ODVA's Test Service Providers. The software is intended for use as a complement to the Buyer's own testing. It does not guarantee product conformance to the relevant Specification.

This is an intelligent PDF form. Please click on the spaces below to complete the requested information directly onto the form.
